

Increase revenue collection with Webb Valuation

Secure customs revenues and speed up the clearance process with our risk-based AI powered valuation and classification solution, providing traders with total transparency on expected clearance costs.

What are the benefits?

- ✓ Accurate valuation and classification assessment
- ✓ Reduce fraud with risk assessment and alerts
- ✓ Faster verification with integrated AI solutions
- ✓ Ensure transparency on import duties calculation
- ✓ Automated assessments based on risk score
- ✓ Automation lessens risks of demurrage costs
